GOVERNANCE

What is the role of the board of trustees?

We follow a modified form of policy governance that allows the board to focus on long range planning. The board works to promote the vision and mission of the Fellowship while respecting diversity in all areas of life. The board monitors the work of the congregation through yearly assessments of ministry (minister, Ministry circles). All are welcome to attend Board meeting - check the calendar for meeting time.

What is the role of the minister?

The minister is responsible for worship, pastoral care, supervision of staff, and for the administration of the circles, committees, and individuals that carry out the mission of the congregation through congregational programs, community involvement, and interfaith collaboration.

What is the role of the administrator?

The administrator ensures the smooth operation of church programs in conjunction with the paid and volunteer staff.

What is the ministry council?

The ministry council serves as an advisory group to the minister. It is composed of the minister, the board vice-president, a representative from Leadership Development, and all circle coordinators. It is a forum where the individual ministry circles can communicate their activities and coordinate the shared work of the Fellowship.

What is the role of the treasurer?

The treasurer assists the board in fulfilling its fiduciary responsibilities. S/he monitors the financial accounts of the Fellowship.

We are this church

We are its hands, its heart, its voice.

Together we share the wealth of this community

And sustain it with our gifts.

How do I check on the status of my pledge?

Contact the administrator directly.

What if I need help from other members of the congregation?

Please contact your regional care coordinator or the Pathway circle coordinator. These coordinators can be found on our website, on the bulletin boards and in the *News and Notes*.

How do I know what decisions have been made by the church leadership?

Board minutes are posted on the bulletin board in the library and on the website. Past minutes are in binders on the bookshelves in the library. Ongoing activities of the board and ministry circles can be found in the weekly *News & Notes*.

MINISTRY CIRCLES

What are ministry circles?

Ministry circles are the way we divide the work of the Fellowship into functional groups. Each ministry circle has its own bulletin board, with a list of all subgroups in the circle. Leaders are listed next to their heading. In addition, our website is organized by ministry circle – the website is a wonderful reference.

Circle coordinators consult with the minister to provide leadership in key areas of operations: Growth and Learning, Pathways, Social Responsibility, Stewardship and Worship and Welcome. They make certain that all activities within their ministry circle support and promote the vision and mission of the Fellowship.
